Danish Academic Economists in North America

DAEiNA Meeting 2018 – Invitation and Call for Papers

The 7th annual meeting of Danish Academic Economists in North America (DAEiNA) will be held on **May 12, 2018** at **Princeton University** in **Princeton, New Jersey**.

The meeting will consist of paper presentations, a brief organizational meeting, and networking opportunities over breakfast/lunch/dinner/coffee. There will be a pre-meeting networking event on the evening of May 11.

To request a **presentation slot**, please submit a paper or abstract to daeina@daeina.net. Presentation slots will be allocated on a **rolling basis**; however, the final deadline for submission is **March 15, 2018**. Participation is open to anyone who has (i) a connection to Denmark and (ii) a past, present, or future interest in doing economic research in North America. We encourage the presentation of preliminary work, particularly from PhD students. In allocating slots, particular preference will be given to PhD students who are about to go on the academic job market.

We have secured a limited number of rooms at the Nassau Inn at the discounted rate of \$155 per night. If you want us to reserve a room for May 11 and/or May 12, please let us know as soon as possible.

In addition to requests for presentation slots and hotel rooms, we ask all interested DAEiNA members to submit a non-binding expression of interest to daeina@daeina.net in order to facilitate planning.

It is currently unclear whether DAEiNA will be able to provide funds for travel or lodging this year. For students in particular, signing up to present at the meeting may be a good way of securing travel funding from their home institution.
