Danish Academic Economists in North America

DAEiNA Meeting 2023 – Invitation and Call for Papers

The 10th annual meeting of Danish Academic Economists in North America (DAEiNA) will be held Saturday **May 27, 2023** at **Aarhus University** in **Aarhus, DK**.

The meeting will consist of paper presentations, an organizational meeting, and networking over coffee/lunch/dinner. There will be a pre-meeting networking event over dinner on the evening of May 26.

We ask all DAEiNA members interested in participating to fill in the registration form at <https://events.au.dk/daeina2023/registration> as soon as possible. The registration link will close on **April 1, 2023**. Participation is open to anyone who has (i) a connection to Denmark and (ii) a past, present, or future interest in doing economic research in North America.

If you are interested in presenting at the meeting, please provide a title (and link to a paper if available) as you complete the registration form. Presentation slots will be allocated on a **rolling basis**; however, the final deadline is **April 1, 2023**. We encourage presentation of preliminary work, particularly from PhD students. In allocating slots, particular preference will be given to PhD students who are about to go on the academic job market.

We have secured a block of hotel rooms at Hotel Scandic City, which are available at a rate of 995 kr per night, breakfast included. If you would like us to reserve a room for you, please indicate so in the reservation form. Reservations at the preferred rate have to be made no later than **April 1, 2023**. We cover the cost of two nights at Hotel Scandic City for any PhD students presenting at the meeting.
